Don't send coins in a letter if you can avoid it. All customers in Arkansas must remit the 2% sales tax extra. Outside of state it's not necessary. 25% of your order holds them till planting time.

All bulbs are state inspected and a certificate of inspections accompanies all orders. All are disease free. Everything guaranteed true to name. Will make it right for any that prove otherwise. Send in your orders as early as possible. Of some kinds I have only a small stock. I do not substitute without permission, but appreciate a second list of wants, and often I can send extras free from it. Always glad to have you visit my gardens at blooming time. I have only my flowers for a living and will appreciate a trial order. I receive lots of repeat orders.
